1. Scholarship Overview

Sample Institute of Technology offers three scholarships every year: the Merit Scholarship, the Need-Based Scholarship and the Sports Excellence Scholarship.

The institute sets aside a total fund of 1.2 crore rupees each year for scholarships. Students can apply once per academic year, and a student can receive only one scholarship at a time.

2. Merit Scholarship

The Merit Scholarship is open to students who scored above 85 percent in the previous semester.

It covers 50 percent of the tuition fee and is awarded to the top 10 students in each branch.

To renew the scholarship the following year, the student must maintain at least 80 percent marks every semester.

3. Need-Based and Sports Scholarships

The Need-Based Scholarship is for students whose family income is below 5 lakh rupees per year. It covers up to 75 percent of the tuition fee. Applicants must have at least 75 percent attendance.

Required documents are an income certificate, an Aadhaar card and the previous semester marksheet.

The Sports Excellence Scholarship is for students who have won a medal at state level or higher. It covers 40 percent of the tuition fee and includes a free sports kit.

4. How to Apply

Applications are submitted online through the SIT student portal. The last date to apply is 30 September each year.

Results are announced on 15 October. Students who have questions can visit the Accounts Office in Room 104 or write to scholarships@sit-sample.example.

Incomplete applications and applications submitted after the deadline are not considered.
